Mad At All These Star Wars Spoilers? Install Star Wars Spoiler Blocker

There are two kinds of people: those who are sick of all this Star Wars news nonsense, and those who just want to avoid any spoiler before seeing Star Wars Episode VII. In both cases, you’re in luck because the Jbit co-founders have something for you — the Star Wars Spoiler Blocker extension.
Mad At All These Star Wars Spoilers? Install Star Wars Spoiler Blocker

There are two kinds of people: those who are sick of all this Star Wars news nonsense, and those who just want to avoid any spoiler before seeing Star Wars Episode VII. In both cases, you're in luck because the Jbit co-founders have something for you — the Star Wars Spoiler Blocker extension.

Alex Jumaliev and Max Al Farah released a Chrome extension in the Chrome store that does one thing but does it well. Whenever you end up on a page that mentions Star Wars, the extension will take over your screen and show you a warning screen.

The "potential spoilers ahead" screen is much better than having to block your display with

OMG.
The Node Removal Problem

Node $v$ contains $b(v)$ «bad» and $g(v)$ «good» words

$$\frac{\sum_{v \in R} g(v)}{\sum_{v \in R} b(v)} \leq t$$
Assumptions
\[ r(v) = \frac{c(v)}{\gamma(v)} \]
$r(v) > 0.1$

\[
\frac{3}{12} = 0.25 \\
\frac{1}{64} = 0.02 \\
\frac{2}{89} = 0.02
\]
